ZONES OF GRANADA PROVINCE

Universidad de Granada

escuela técnica superior
INGENIERÍA DE EDIFICACIÓN
Granada

- Granada is located at the foot of the Sierra Nevada Mountains, at the confluence of four rivers; the Beiro, the Darro, the Genil and the Monachil.
- It sits at an average elevation of 738 m above sea level.
- Very near from the Mediterranean coast.
- Its census is about 240.000 and the urban area is about 475.000 inhabitants.

Universidad de Granada

escuela técnica superior
INGENIERÍA DE EDIFICACIÓN
Granada

- The University of Granada has about 60.000 students spread all around the city.
- The university has five campuses. And two other campuses are found in the North African cities of Ceuta and Melilla.

Centers of Culture, Sport and Services:

1. Sports Activities Centre

The range at our sports centre is extensive, ensuring that you can participate in sports and activities that you're already passionate about, or take up something new and exciting.

We offer sports and activities in six main categories: racket sports, body and mind, fitness, dance, mountain sports and water sports (as well as activities such as archery and skating).

Centers of Culture, Sport and Services:

3. About the Spanish language knowledge:

- We highly recommend to have at least a B1 level of Spanish language to come as a student to UGR within the Exchange, Erasmus (Programme Countries) or Free Mobility Programmes.
- **CLM (Centro de Lenguas Modernas; Realejo neighborhood).**
- The centre offers general Spanish language Courses for foreign students and academic Spanish courses.
- All courses at CLM comply with the content description set out in the Common European Framework of Reference for Languages (CEFR).

Social life and cost of living

5. The city of Granada offers you many cultural possibilities. Spanish food is internationally recognized for its quality and variety and Granada is known for its “tapas”.

- Besides, Granada is considered one of the cheapest cities in Spain and Europe to live as a student.
